Report on the Audit of the Financial Results

Opinion

1. We have audited the accompanying Statement of quarterly and year to date financial results of **The Karur Vysya Bank Limited** (the ‘Bank’) for the quarter and the year ended March 31, 2025, (the ‘Statement’) being submitted by the Bank pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (‘the Listing Regulations’) except for the disclosures relating to Pillar 3 disclosure as at March 31, 2025, including “Leverage Ratio”, “Liquidity Coverage Ratio” and “Net Stable Funding Ratio” under Basel III Capital Regulations as have been disclosed on the Bank’s website and in respect of which a link has been provided in the aforesaid Statement and have not been audited by us.
2. In our opinion and to the best of our information and according to explanations given to us, the aforesaid Statement:
 - a) is presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard except for the disclosures relating to Pillar 3 disclosure as at March 31, 2025 including leverage ratio, liquidity coverage ratio and net stable funding ratio under Basel III Capital Regulations as have been disclosed on the Bank’s website and in respect of which a link has been provided in the Statement and have not been audited by us; and
 - b) gives a true and fair view in conformity with the recognition and measurements principles laid down in the applicable accounting standards as per Section 133 of the Companies Act, 2013 (the ‘Act’) read with Companies (Accounting Standards) Rules, 2021 to the extent applicable, the relevant provisions of the Banking Regulation Act, 1949, the circulars, guidelines, directions issued by the Reserve Bank of India (‘RBI’) from time to time (the ‘RBI Guidelines’) and other accounting principles generally accepted in India, of the net profit and other financial information of the Bank for the quarter and year ended March 31, 2025.

Basis of Opinion

3. We conducted our audit in accordance with the Standards on Auditing ('SAs') specified under Section 143(10) of the Companies Act, 2013, as amended. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Results section of our report. We are independent of the Bank in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (the 'ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us and other auditors in terms of their reports referred to in "Other Matters" paragraph below is sufficient and appropriate to provide a basis for our audit opinion.

Management and Board of Directors' Responsibilities for the Financial Results

4. The Statement has been compiled from the related audited Annual Financial Statements and approved by the Board of Directors of the Bank. The Bank's Board of Directors are responsible for preparation and presentation of the Statement that gives a true and fair view of the financial position, financial performance and cash flows of the Bank and other financial information in accordance with the accounting principles generally accepted in India including the Accounting Standards prescribed under Section 133 of the Act read with Companies (Accounting Standards) Rules, 2021, to the extent applicable, and the relevant provisions of the Banking Regulation Act, 1949 and RBI guidelines from time to time and in compliance with regulation 33 of Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with provisions of the Act the Banking Regulation Act, 1949, and RBI Guidelines for safeguarding the assets of the Bank and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.
5. In preparing the Statement, the Board of Directors are responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.
6. The Board of Directors are also responsible for overseeing the Bank's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Results

7. Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is

not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Statement.

8. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Bank has adequate internal financial controls with reference to financial statements in place and operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
 - Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Bank to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represent the underlying transactions and events in a manner that achieves fair presentation.
9. Materiality is the magnitude of misstatements in the Statement that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Statement may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Statement.
10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that we identify during our audit.

11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

12. We report that the figures for the quarter ended March 31, 2025 represent the balancing figure between the audited figures in respect of the financial year ended March 31, 2025 and the published unaudited year-to-date figures up to December 31, 2024, being the date of the end of the third quarter of the current financial year, prepared in accordance with the Accounting standard 25 "Interim Financial Reporting", which was subjected to limited review by us, as required under Listing Regulations.
13. The audit of quarterly/ annual financial results for the quarter ended March 31, 2024, and the year ended March 31, 2024, included in the financial results was carried out by predecessor auditors, who have expressed unmodified opinion vide audit report dated May 13, 2024, on those financial results.
14. These financial results incorporate the relevant returns of 971 branches including processing centres audited by the other auditors specially appointed for this purpose. These branches audited by other auditors cover 77.19 % of advances, 82.86 % of deposits and 66.08 % of non-performing assets as on 31 March 2025 and 82.07 % of revenue for the year ended March 31, 2025. The financial statements and relevant returns of these branches including processing centres have been audited by the Bank's Statutory Branch Auditors whose reports have been furnished to us by the Management of the Bank and our opinion in so far as it relates to the amounts and disclosures included in respect of branches including processing centres, is based solely on the reports of such branch auditors.

Our opinion is not modified in respect of the above matters.
